

## ONLINE TURKISH EXAM (TDS)

Turkish Language Exam (in Turkish: Türkçe Dil Sınavı, acronymized as TDS), is an internet-based Turkish language exam that determines levels of individuals in Turkish as a foreign language, enabling them to enter the foreign language exam, and finally certifying their Turkish language level degree.

There are four different exams in TDS:

- Certification Exam
- Placement Test
- Level Completion Exams
- Practice (Mock) Exams

## TURKISH LANGUAGE COURSE

Assisted by 'Communicative Approach' method, our Turkish learning program has been prepared in accordance with 'Common European Framework of Reference for Languages' aiming to simultaneously developing four language competencies including reading, writing, listening, and speaking skills.

By utilizing our exceptional Turkish language lecturer staff, who have high levels of experience in teaching Turkish to Foreigners having been graduated from Turkish Language and/or Turkish Language and Literature departments of esteemed universities, our Group aims to teach Turkish language to our students in the highest standards implemented in this sector with the best quality. In this context, our teaching staff is selected according to our belief in that fact that a foreign language should be learned from native speakers.

Our Turkish language course consists of five levels, which are **A1, A2, B1, B2 and C1** language levels. Each level lasts 6 weeks with **96 hour** of study in total.

Throughout the course, language learning is supported by utilizing various materials and activities including specialized books, supplementary sources, in addition to implementing pilot technological tools, instruments and equipment.

## FOREIGN STUDENT EXAM (YÖS)

Our course program for the students preparing for taking the Foreign Student Exam (in Turkish: Yabancı Öğrenci Sınavı, acronymized as **YÖS**) consist of intensive classes related to subjects covered by **YÖS**, their recap as well as numerous test works. Our classes are made of **12 to 16** student level-specific groups. Additionally, **YÖS** student groups are divided into weekday classes and weekend classes and also into groups where classes are in Turkish or in English medium.

Moreover, having cooperation with different private and state universities and educational institutions, we are conducting **YÖS** applications and examinations in both inside and outside of republic of Turkey.

All of the educational courses provided by our group are finalized with certificates that are well recognized in the international arena.

## OUR EDUCATIONAL COURSES

### ONLINE TURKISH COURSE

Our interactive online Turkish classes are held with an innovative approach that can be accessed by all students who want to learn Turkish who are not able to attend our courses centers in Turkey.

The program of this system, in which all educational process takes place interactively 100% live via internet, consists of five levels which are classified according to 'Common European Framework of Reference for Languages' consisting of **A1, A2, B1, B2** and **C1** language levels. Each level lasts 6 weeks with 96 hours of interactive study in total.

The online system is **7/24** accessible. Participants in program can get their online education 4 hours a day as well as having the ability to be connected to the system any time they want in order to access the study materials, repeat subjects or solve question. In addition, by accessing the system, participants can watch recap classes that are previously prepared by HG, and can also participate in online exercises and activities and reach the additional uploaded materials at any time they desire.
